Harold Igl, Parcel #281 & #282, inquired as to why the value on these two parcels is higher than his other agricultural land. It was explained that these two parcels have wooded land on them and normally would have been assessed at approximately \$70,000 each. But because they border his agricultural land, they are assessed at one-half of the full value. Parcel #281 is assessed at \$35,040 and Parcel #282 is assessed at \$36,060.

At 9 p.m. a motion was made to adjourn by Wayne. Jon seconded. There were 4 ayes and no nays. Motion carried.
