PUBLIC INVOLVEMENT MEETING
Town of Summit, County Line Road
Big Hay Meadow Creek Bridge
Langlade County

A public involvement meeting will be held by the Town of Summit for the bridge replacement along County Line Road over the Big Hay Meadow Creek. The town has been awarded a contract for replacement of the bridge through the Local Bridge Program. The design phase is at 30% completion status, so the design firm will be presenting an update for the community.

Discussion will focus on the replacement of the County Line Road Bridge, traffic impacts, and the construction schedule of this project. The project construction could begin as early as the summer of 2025.

The meeting will be held at the Town of Summit Town Hall, N8495 County Rd H, Gleason, WI 54435 on Thursday, February 15, 2024, at 5:00 pm. A short presentation of the proposed bridge replacements will be provided by representatives of the consulting firm Ayres Associates Inc. Informal discussions will follow the presentation to discuss individual concerns regarding the project. All interested persons are invited to attend.
