16.2 **ROLES AND RESPONSIBILITIES OF THE COUNTY BOARD AND DEPARTMENT HEADS: RULE 16.2:**

The County Board shall serve as the legislative, policy-making body of Langlade County government. This authority can only be exercised by the Board, collectively, or by its duly constituted Committees (subunits). While acting in an individual capacity, a County Board member has no legislative authority or operational control.

Any legislative, policy-making initiative shall first be referred to the appropriate Committee where it can be reviewed by Committee members and staff who have the expertise necessary to fully study the issue. To the greatest extent practicable, Department Heads shall be granted an opportunity to provide both input and feedback to policy-makers regarding policies that apply to multiple County departments. Department Heads (or designees) shall be welcome to attend Committee and Board meetings which include discussion topics that may affect the operation of their respective Departments.

Once policy has been approved by the Board or Oversight Committees, it is the responsibility of Department Heads to implement the decisions of the Board. In summary, the function of the Board is to adopt policy and hold those persons responsible for implementing such policy accountable according to established criteria.

Department Heads and County Manager shall serve in an operational and advisory role to the County Board. In summary, the function of department heads is to carry out the Board's policy directives and provide the Board with information and advice so as to allow the policy-makers the opportunity to make informed policy decisions.

Department Heads shall have the leadership role to administer the day-to-day operation of their respective Departments within the guidelines of the policies set by the Board. The County Board shall not micro-manage the day-to-day operation of County government. When issues are raised before County Board members regarding the management practices within a respective Department, these questions shall be referred to and addressed by the requisite Oversight Committee, Department Head and County Manager. Following the appropriate chain of command will ensure that issues are addressed in an open and deliberate manner that is fair to all involved. County Board members shall avoid engaging in individual initiatives to investigate matters on their own.

Department Heads with the County Manager shall be encouraged to meet on a regular and informal basis in order to promote communication, build professional relationships and encourage the sharing of ideas. [Note: Resolution No. 25-94 is hereby rescinded].

The County Board, County Manager and Department Heads shall support the policies adopted by the County Board and in the performance of their respective duties, they shall strive to build the public's trust and confidence in Langlade County government (both policy-making and management).
