FOR IMMEDIATE RELEASE

8th Annual Langlade County Area Diaper Drive

Starting Mother's Day, May 14, The Langlade County Area Diaper Bank will be hosting their 8th Annual Diaper Drive. The event will run from Mother's Day through Father's Day. This year we are specifically looking for diaper sizes 4, 5, & 6 as well as monetary donations. Donation drop off sites include CoVantage Credit Union, Lakeside Pharmacy & Grocery, Langlade County Health Department, Pick 'n Save and several area churches in Antigo.

The Langlade County Area Diaper Bank was established in 2015 to be a resource for families in need. The Diaper Bank is a collaboration of four community agencies: Avail, Head Start, Langlade County Health Department and Langlade County Social Services. "We know that nearly 1 in 5 children in Langlade County live in poverty and we continue to see families struggle to afford the basic necessities such as diapers," said Karen Marten, Public Health Nurse, Langlade County Health Department.

Since 2015, we have provided 77,095 diapers to families in Langlade County. We strive to meet the basic hygienic needs of children by providing both disposable and cloth diapers including wipes, diaper rash cream, and baby wash. We have helped over 72 families already this year.

Marten explained that the Diaper Bank is supported through donations, local grants and The Annual Diaper Drive. 100% of all donations go directly to purchase diapers, wipes, and diaper rash ointment. For additional information on The Langlade County Area Diaper Bank please call 715-627-6250 or email kmarten@co.langlade.wi.us.
