

ATTENTION LANGLADE COUNTY PUBLIC TRANSIT RIDERS:

Due to nationwide precautions being taken to eliminate the spread of the COVID-19 virus, Langlade County Public Transit has changed their regular schedule for the public starting **March 23, 2020 until further notice.**

In response to the COVID 19 Virus otherwise known as Corona Virus, Langlade County Public Transit (LCPT) is taking the extra precautions recommended by the Center for Disease Control, President Trump, Governor Evers and encourage you to do the same:

Drivers have been educated on additional hygiene precautions which include washing hands frequently, avoiding touching their face, using alcohol based sanitizer, and staying home when sick.

Both fixed route buses and paratransit buses are being fogged or sprayed every night with disinfectant to disinfect frequently touched spaces.

Riders are encouraged to stay home if sick, wash hands with soap and water frequently, avoid touching their faces, avoid non-essential trips to minimize risk of exposure.

LCPT is a non-emergency transportation service and cannot provide emergency trips to the hospital or medical facility in the event of an emergency. For such trips please call medical personnel, by dialing 911.

Transit agencies around the country are closely monitoring the Coronavirus (COVID-19) development. At LCPT, all buses and maintenance and administrative facilities are disinfected

on a daily basis. All staff have access to gloves and masks. We encourage everyone to adhere to the following recommendations, as the best way to prevent the spread of any respiratory virus, including COVID-19, is through good hygiene:

- Wash your hands frequently with soap and water for at least 20 seconds
- Use an alcohol-based hand sanitizer that contains at least 60% alcohol when soap and water is not available
- People who are sick should always cover their coughs and sneezes using a tissue or the crook of their elbow; wash your hands after using a tissue to wipe your nose or mouth
- People who are sick should stay home from work or school until they are well
- Avoid touching your eyes, nose or mouth with your unwashed hands
- Put distance between yourself and other people if COVID-19 is spreading in your community.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.
- Contact your healthcare provider if you have symptoms and/or had close contact with someone with symptoms who traveled from an [affected area](#).
