## PUMPING NOTICE

### Section 1: Notification

You are receiving this notice because our records indicate that your septic tank is due to be pumped and/or inspected. As a landowner, you are required to have your septic system maintained every three years pursuant to **Section 15.37 of the Langlade County Private Sewage System Ordinance**. **Failure to comply** with the above ordinance may result in a mandatory court appearance, along with a fine of \$389.50 and a \$100.00 administrative fee.

**This form needs to be completed and returned to the Land Records office by August 15<sup>th</sup>.**

Please refer to the enclosed "GUIDE TO PUMPING OF PRIVATE ONSITE WASTEWATER TREATMENT SYSTEMS" document and/or direct any questions or concerns to Marlene in the Land Records & Regulations Department Office at 715-627-6206.

### Section 2: Pumping Report \*Sanitary Hauler Use Only\*

**Section 15.37 of the Langlade County Private Sewage System Ordinance requires the property owner or owner's agent** of a private onsite wastewater treatment system to furnish the Department with a **copy of the inspection report** verifying the condition of the tank, whether wastewater or effluent from the POWTS is discharging to or ponding on the ground surface and the date of pumping **within 30 calendar days of the date of inspection and/or pumping**. Reports shall include all information required in SPS 383.55, Wisconsin Administrative Code, and signed by the person(s) inspecting and pumping the private onsite wastewater treatment system. This form is the only acceptable document as proof of pumping or inspection from a certified professional.
