CHIP Priority Area: Alcohol and other Drugs	- Donna updated the Escape the Vape that is being offered in all schools. Went to All Saints grade 6 last week and had positive feedback. Agreements since with the HS and will be doing 8-9-10th grade classes during pride time. MS will be grade 6 next Friday. Haven't heard from Peace or WL. Elcho would like to do all grades but will be going to the school board before they start. Starting to see kids in grades 5/6 using vape. Presented In-Plain site at Antigo

		Pride night last week at AMS. If anyone would like the presentation, let Donna know. There is a coalition meeting today at 11:30. Donna mentioned the HD received the SOR grant for dispensing drug deactivation bags through the vending machines. Discussed the new drink Delta 9 beverage. Also discussed the energy drinks and how students are consuming them where each can has 200mil caffeine. How do we educate the parents. Positive message was Lakeside stopped selling tobacco products. Alex mentioned Dr. Aaron Hoffnoung will be having a mobile clinic in Wausau and he is an addiction doctor from Madison. Will take MA and do telehealth. Phoenix Counseling is based out of Rhinelander with an office in Antigo. NCHC has 1 of 2 AODA counselors with a replacement starting next week. Still would like to hire a 3rd counselor.		
Round Robin		- Sheila mentioned the Teen Health Fair will be April 3rd at the AHS from 8-11:30 a.m. - Meghan shared there are 2 PH Vending machines. 1 in the Health Service Center and 1 at the Safety Building. - Alex shared there will be a Falls Clinic at the Senior Center from 11-12 p.m. put on by Promise Physical Therapy that is cash based and travel to you. They do preventative presentation – before you get injured.		All
